

April 24, 2020

Dear Camp ReCreation Family,

We hope you are all staying safe and healthy during these unprecedented times. As you know, the world around us is everchanging and it is our first priority to ensure the health and safety of our Campers, Staff, and Volunteers. Due to the continued strain on medical staff, lack of bulk supplies, restrictions on large gatherings and cancellation of schools locally, **Camp ReCreation and Camp ReCreation Junior Summer 2020 is cancelled.**

This has been an extremely difficult decision to make. However, it was not made lightly and was made in conjunction with government recommendations, medical staff, The Knights of Columbus, and our community partners. In order to ensure the health and safety of our Camp Family we feel it is safest to postpone all events until at least Fall 2020.

Any donations made to Camp ReCreation will be refunded to their original form of payment and checks that have not been cashed will be voided.

We know this decision may be saddening to many of our Campers, however, we will be sending out Camp Activity Kits via mail and delivery in the coming weeks. Our hope is that these kits will bring a glimpse of Camp to your home and brighten your Campers days! If you have already registered for Camp Recreation/Jr. 2020 or previously attended Camp in 2019 a kit will be mailed or delivered. However, if you did not previously attend or had an active application and would like to request an Activity Kit, please send us an email at: [Camp@CCOC.org](mailto:Camp@CCOC.org)

Our Camp Family is strong, and we will get through this together. We at Camp ReCreation would also like to offer any help we can to you and your family. We have set up a COVID-19 fund for campers and their families that have been affected by this pandemic. If you are in need of resources such as: counseling, financial aid, groceries, etc. Please contact us for an application, and we will do our best to assist you and your family during these challenging times.

We hope that you and your families remain safe and healthy.

Please do not hesitate to contact me with any questions, and I look forward to seeing everyone in the future!

All my Love,

Madeline "Madie" Fugate  
Camp Director
